Imagine... A Sustainable Victory

Prevention – Nothing But Nets has demonstrated that we can make a difference, now we must go beyond bed nets to obtain a sustainable solution.

Treatment – We will improve healthcare facilities, provide better medicines, and train community workers.

Education – We will teach people in rural areas how to protect themselves from mosquitoes.

Communication – We will reach people through viable communication networks – radio and cell phones.

Christ-Like Ministry

“When my children have malaria, I’m very worried because... while you are still waiting to see the doctor, you will see someone die.”

Victoria Armando, Communicator, Mozambique

“We are the church of Jesus Christ throughout the world. And where one suffers, we all suffer. And, in reaching out to people around the world, we also find a revitalization of our own faith and our understanding of what it means to be a follower of Jesus.”

Bishop Sally Dyck, Minnesota Annual Conference

“Though one may be overpowered...two can withstand...and a threefold cord is not quickly broken.
Ecclesiastes 4:12
