

World Service Fund

# DID YOU KNOW?

The World Service Fund is the cornerstone for the funding of the connectional system of The United Methodist Church. It provides basic financial support to general agencies, which are especially important to the common vision, mission and ministry of The United Methodist Church. Through World Service funding, agencies support annual conferences and local congregations in living out God's mission for the worldwide church.

General agencies also provide essential services and ministries beyond the scope of individual local congregations and annual conferences through services and ministries that are highly focused, flexible and capable of rapid response. This fund is managed by General Council on Finance and Administration.
