

United Methodist  
Committee on Relief

**DID YOU  
KNOW?**

A large, bright yellow relief bag is the central focus of the image. It is printed with the United Methodist logo and the text 'SUMCOR' in a large, bold, red serif font. Below 'SUMCOR', the text 'United Methodist Committee On Relief' is printed in a smaller, red, sans-serif font. The bag is resting on a dark, textured surface, and a person's foot wearing a brown sandal is visible at the bottom edge of the bag.

United Methodist Committee On Relief

UMCOR provides relief, response and long-term recovery grants when natural or human-caused disasters overwhelm a community's ability to recover on their own. Working together with United Methodist churches and local partners, UMCOR is able to address immediate needs as well as achieve sustainable recovery.

UMCOR also provides technical support and training for partners to address emerging and ongoing issues related to disaster relief, recovery and long-term health and development. While UMCOR is not a first-response organization, it does stand ready to accompany communities in need over the long haul of their recovery until a "new normal" is established after a crisis. For more than 80 years, UMCOR continues to be devoted to advancing hope without regard to race, religion, national origin, gender or sexual orientation.

This offering underwrites UMCOR's "costs of doing business," allowing UMCOR to keep the promise that 100% of any gift to a specific UMCOR project will go toward that project, not administrative costs. The work of UMCOR is managed through the General Board of Global Ministries.
