

Peace with  
Justice Sunday

# DID YOU KNOW?

Peace with Justice is a faithful expression of shalom in the Bible. It calls the church to strengthen its capacity to advocate publicly in communities and nations throughout the world.

It aims to make shalom visible and active in people's lives and communities by setting people free from bondage. We must renew our call for a social transformation, for the quest to open the doors of opportunity for all, to distribute resources more equitably and to provide better care for persons in need. We celebrate Peace with Justice Sunday as witnesses to God's demand for a faithful, just, disarmed and secure world.

Generally, Peace with Justice Sunday is celebrated on the First Sunday after Pentecost and a special offering is collected. The offering is administered by the General Board of Church and Society and benefits peace with justice ministries, resources and activities in the annual conferences, districts and local churches around the world.
